

# LOOK OUT FOR: *CRIMES TARGETING BUSINESSES*

## TAKE THESE STEPS TO PROTECT YOUR BUSINESS FROM BECOMING AN EASY TARGET FOR CRIMINALS:

- Invest in high-quality video surveillance equipment, at least at entrances and exits
- Use only low, small plants around the exterior so criminals can't hide around the building
- Install an alarm system, as well as sensors that detect motion and broken glass

## TAKE THESE STEPS TO AVOID BECOMING THE VICTIM OF A ROBBERY:

- Greet and make eye contact with every customer as they enter
- Make sure windows are not covered up so people can see inside from the street
- Do not keep large amounts of cash on hand
- Report suspicious vehicles or customers to police
